The safety of each individual in the camp is of utmost importance to Orchard Grove Camp. I hereby agree that any behaviour of the registrant that places him/herself or others at risk may result in the immediate dismissal from the program. Further if dismissed I agree to cover any expense(s) arising from such dismissal. I hereby acknowledge and agree no refund will be granted for dismissal before the end of the program session. In order to ensure the safety and well-being of all individuals participating in the camp, Orchard Grove reserves the right to alter the program at any time without notice or compensation to the registrant.

Bullying will not be tolerated at Orchard Grove Camp. In general, a “three strikes” policy is followed. After the first incident, our counsellors will address the situation with both the aggressor and victim. During a private meeting with the aggressor, the counsellor will explain the consequences of bullying. The parents of both parties will be notified. An incident report will be drafted and given to parents.. This procedure is followed should a second incident occur. In addition, the aggressor may be separated from the group or put into a different sport/activity (additional fees for specialized programs will apply). If a third incident should occur, the aggressor will be removed from camp. Cases of extreme bullying are not subject to the three strike rule. If it is proven that there was intent to seriously harm another child through physical or verbal means the aggressor will face expulsion from camp. His or her parents will be called for immediate pickup (refund for remaining days ONLY will apply).

Parking

Orchard Grove Camp will not be held accountable for any tickets/parking tickets received.

Orchard Grove Camp does provide a drop off/pick-up location. This parking will allow parents and guardians to park in the designated parking lot for 15 mins during pick up and drop off.

All instructors follow safe teaching methods with proper sequential instruction. Our 5 star development levels ensure that students are progressing at a pace that is appropriate for their current ability. All activities are supervised and our low instructor to student ratio ensures maximum attention.

We keep emergency contact information with records on medical history or allergies. We identify, treat, report, and record any occurrence of injury in a systematic way and keep up-to-date safety records of each camper.

Administration of Medication

A form along with a daily log will be filled out when campers require medication to be administered while at camp. Please see the office for these forms, we cannot accept or administer any medication otherwise.

Please ensure the picture includes a clear view of your child's face. If a child requires an Epi-Pen please ensure to provide the camp counsellors with the Epi-Pen, this will be returned at the end of each day or at the end of the week of camp.

Sign In/Out System

At Orchard Grove Camp, we have a proven and safe system in place for the sign-out of campers. No camper leaves the premises without a parent or guardian signing them out. Orchard Grove Nursery is not liable for any children until they are signed in to our care by the parent or guardian or other authorized person listed on the authorization list.
